Hay fever and asthma, make August a month of intense suffering to many people. Foley's Honey and Tar Compound gives prompt ease and relief, and is soothing and healing to the inflamed membrane. Wm. I feel that Dr. Kilmer's Swamp-Root saved my life. I inherited weak kidneys. The discharge was so frequent and painful that I would have to stay in bed to obtain temporary relief. I consulted good physicians but the results were disappointing. My landlady advised me to try Swamp-Root as the last resort, which I did and I was quickly relieved.

I continued taking Swamp-Root and my weight has increased fifty pounds. My health is of the best and I have told many others about Dr. Kilmer's Swamp-Root and have done a lot of good in this way. Your wonderful medicine is of great value to mankind.

Yours very truly,
J. H. BRUXBY.

Sensible Women Know Foundation of Health

As health talks to women become more general, both in the newspapers and on the platform, the mass of women are beginning to realize what the more cultivated have always known, that good health cannot be found in a powder box. The externals of health may be obtained in that way, but the basis of health lies deeper, and yet is just as easily obtained.

The most important thing that a woman can do for herself, and about which she is often most neglectful, is to watch the condition of her stomach and bowels. The weary eyes, the bad breath, the frequent headaches, the pimples, the general air of lassitude is nine times out of ten the result of constipation or indigestion, or both. Many simple remedies can be obtained, but the best in the estimation of most women is Dr. Caldwell's Syrup Pepsin. It is mild, pleasant to the taste and exactly suited to her needs. It is far superior to salts, cathartic pills, waters, etc., which are entirely too violent.

Women should see to it that they have at least one movement of the bowels each day, and when showing any tendency to constipation should take Dr. Caldwell's Syrup Pepsin in the small dose prescribed. A brief use of it will so train the stomach and bowel muscles that all forms of medicine can be dispensed with. These opinions are voiced by thousands of women, after personal experience, among them Miss V. L. Moore, 32 Claiborne St., Nashville, Tenn., and Florence Cook, Lucas, Ky.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.
